CAREER OBJECTIVE

I am a Full Stack Developer skilled in TypeScript, Node.js, Express, PostgreSQL, Prisma, and Next.js, having built full-stack applications like GearUp. My goal is to grow as a professional engineer by contributing to impactful, real-world projects in a collaborative team environment. I am looking to secure a Full Stack Developer role where I can apply my skills and continue learning.

SKILLS

Technical: JavaScript, TypeScript, React.js, Next.js, Node.js, Express.js, PostgreSQL, Prisma ORM, MongoDB, Tailwind CSS, shadcn/ui, REST API Design, JWT Authentication, Stripe & SSLCommerz Payment Integration, Git & GitHub.

Interpersonal: Problem Solving, Team Collaboration, Communication, Time Management, Adaptability.

PROJECTS

GearUp - Sports & Outdoor Equipment Rental Platform

[Live Link](#) | [Client GitHub](#) | [Server GitHub](#)

A full-stack rental platform where users can browse, rent, and manage outdoor gear, with role-based dashboards for Customers, Providers, and Admins.

- Customers can browse and rent outdoor gear with real-time stock tracking, backed by a Prisma/PostgreSQL data model using atomic transactions to prevent overbooking.
- Secure JWT-based authentication with cookie sessions and bcrypt hashing lets users safely sign up and log in.
- Providers and Admins get dedicated dashboards (Next.js 16, shadcn/ui) to manage gear listings, rental orders, and users.
- Customers can securely pay for rentals online through integrated SSLCommerz payment gateway.

Study Hive - Educational Learning Management Platform

[Live Link](#) | [Client GitHub](#) | [Server GitHub](#)

A MERN-stack educational platform that streamlines learning management with dynamic class management, interactive dashboards, and secure payments for students, teachers, and admins.

- Students can enroll in classes, track progress, and rate courses through an interactive dashboard.
- Secure, persistent authentication via Firebase Auth with role-based protected routes for students, teachers, and admins.
- Teachers manage classes and assignments, while Admins manage users and approve teacher applications through dedicated dashboards.
- Students can securely pay for class enrollment online through integrated Stripe payment gateway.

EDUCATION

Diploma in Computer Technology

Feni Ideal Polytechnic Institute | Passing Year: 2018
